

HUNGARIAN
TOURISM AGENCY

To Whom It May Concern,

This is to certify that Ms. Petra Braunitzer worked for the Hungarian Tourism Agency at the TTG- Rimini Tourism Fair between 12-14 October 2017 as a coordinator and translator.

With her professional attitude, communication skills and as a native Italian language speaker, Ms. Braunitzer proved to be an excellent workforce and highly contributed to the success of Hungarian Tourism Agency's appearance on the above mentioned important international fair.

It is for this reason that I strongly recommend Ms. Braunitzer for any sort of job that involves international affairs, human relations, translation and communication in Hungarian or Italian languages.
