

Anna Szekeres  
Introduction letter

Dear Sir/Madam,

I am writing to introduce myself and to offer you my skills as a translator. My services include **translating from English to Hungarian and from Hungarian to English.**

I graduated from Eötvös Loránd University in 2016. I specialized in Behavioural Disorders and Learning Disabilities and Difficulties at the Faculty of Special Education. I have been tutoring children since 2010, and since I graduated, I have been working full time as a self-employed private English teacher and translator.

As a Special Needs Educator and Therapist I have always been interested in progressive educational methods and I have spent years reading about foreign schools and innovative techniques. During my college years I had the opportunity to work in the United States for two semesters, where I could master my English language skills; also this experience helped me greatly to become a more professional translator.

Due to the complexity of Special Education, I gained knowledge in related sciences as well.

**I translate in the following topics and fields:**

- Special Education, Pedagogy, Education
  - o Learning Disabilities and Difficulties, Dyslexia, Dysgraphia, Dyscalculia, ADHD (Attention Deficit Hyperactivity Disorder)
  - o Intellectual Disabilities (Parkinson Syndrome, Alzheimer's disease, Epilepsy, Down syndrome)
  - o Emotional and Behavioural Disorders/Difficulties, Dysphoria, Personality Disorder
  - o Autism Spectrum Disorder
  - o Integrated Education, Inclusive Education, Progressive Education, Open Education
  - o Quality of life, Rehabilitation, Employment, Social care, community based residential models
- Psychology, Personality psychology, Social psychology, Developmental and Educational psychology
- Sociology
- Medicine, Anatomy, First aid, Healthcare

If you are interested in working with me, please do not hesitate to contact me and if you require my CV and my References or any further information I would be happy to provide it.

The first trial translation is for free. I am available during the summer season as well.
