To whom it may concern,

We hereby confirm that Mr. Tamás HORVÁTH has translated roughly 56 000 characters for VILLAM Language Services so far.

I write this letter of recommendation for Mr. HORVÁTH with great enthusiasm for the exceptional quality of his work as a translator of written English to Hungarian and vice versa. While his command of written English is more than adequate for any business/technical situation, Mr. HORVÁTH's strongest ability is certainly in written translation. He will excel in agriculture, technical, architecture or plant production of translation between Hungarian and English.

Kind regards,

Ena Gvozdenov
