### **To whom it may concern**

In my capacity as Head of the Translation Department at the Translation Centre, I hereby confirm that Mr Josif JUHASZ was employed by our services since 1 January 2006 until 30 June 2006.

His principal tasks were to translate texts from English and French into Romanian. The texts for translation were very varied and covered the employment, vocational training and social affairs fields. Mr Juhasz also carried out a number of technical translations.

Mr Juhasz used Microsoft Word, Excel, Trados Translator's Workbench, Trados Multiterm and IATE on a regular basis in his work.

Mr Juhasz carried out his duties in a professional manner and was a greatly appreciated member of staff. He was also very popular with his colleagues.
