## LETTER OF RECOMMENDATION

31-08-2023

To Whom It May Concern,

I am writing this letter of recommendation on behalf of Réka Sörnyei, who has served as a translator for Calvary Chapel Sopron (Golgota Sopron) for a number of years. It brings me great pleasure to highly recommend Réka for any translation-related opportunities that may be presented to her.

I had the privilege of working closely with Réka on numerous occasions during my teachings to the congregation in Hungarian, where she adeptly provided on-the-fly translations to English. Throughout these experiences, Réka consistently exhibited exceptional translation skills, capturing not only the literal words but also the underlying meanings and cultural nuances. Her ability to convey these aspects accurately is truly commendable.

Réka has consistently proven herself as a reliable translator, delivering translations of the highest quality without fail. Her dedication and commitment to her role are evident in the consistently exceptional work she produces. Beyond her professional competence, working with Réka has also been a delightful experience due to her sense of humor and outgoing personality, which adds a positive dynamic to any collaborative effort.

I am confident that Réka's English expertise, combined with her outstanding translation abilities, will undoubtedly make her excel in any translation role she undertakes. Her passion for accurate communication and her skillful navigation of language intricacies make her an ideal choice for various translation-related ventures. I wholeheartedly endorse Réka and firmly believe that she will be a valuable asset to your team.

Should you require any further information or have additional inquiries, please feel free to reach out to me at the provided contact details. I am more than willing to elaborate on Réka's qualifications and contributions.
